

PBNC Donor Docs Program

The PBNC Donor Docs Program is a volunteer program of optometrists and ophthalmologists providing free eye exams and in some cases glasses for uninsured children. Services are available on a first come, first served basis until all locally donated services are used. Donor Docs services are not available in all areas.

PBNC Donor Docs Services:

- Eye exam performed by a participating eye doctor in the Donor Docs Program.
- In some cases, glasses (not contacts), if prescribed.
- Specified services, as indicated by the volunteer physician, will be provided at no cost to the child.

PBNC Donor Docs Eligibility Criteria:

- Total gross annual household income from all sources is no more than 250% of federal poverty level (see chart below).
- Child is not enrolled in Medicaid or Health Choice and is not covered by any other policy that includes vision coverage (whole or partial).
- Child has not used the Donor Docs Program during the past 12 months.

OneSight Eyeglasses Program

The OneSight Eyeglasses Program is a charity program funded by the Luxottica Group Foundation in partnership with Prevent Blindness America. OneSight voucher recipients choose from a special selection of frames at participating Lens Crafters, Target Optical or Pearle Vision Center.

OneSight Services:

- Eyeglasses (not contacts) at no cost to the child. Eye exam is NOT included.

OneSight Eligibility Criteria:

- Total gross annual household income from all sources is no more than 200% of federal poverty level (see chart below).
- No other eyeglass benefits (through Medicaid, Health Choice, or any other vision coverage) can be accessed at this time.
- Child has a valid eyeglass prescription that is less than 12 months old.
- Child has not used the OneSight Eyeglass Program in the past 24 months (unless there has been a change in prescription or eyeglasses have been damaged beyond repair.)

Please see the table on the next page for federal poverty level amounts based on family unit size.

Size of family	200% of federal poverty level	250% of federal poverty level
1 person	Total gross annual household income between \$0 and \$30,120	Total gross annual household income between \$0 and \$37,650
2 people	Total gross annual household income between \$0 and \$40,880	Total gross annual household income between \$0 and \$51,100
3 people	Total gross annual household income between \$0 and \$51,640	Total gross annual household income between \$0 and \$64,550
4 people	Total gross annual household income between \$0 and \$62,400	Total gross annual household income between \$0 and \$78,000
5 people	Total gross annual household income between \$0 and \$73,160	Total gross annual household income between \$0 and \$91,450
6 people	Total gross annual household income between \$0 and \$83,920	Total gross annual household income between \$0 and \$104,900
7 people	Total gross annual household income between \$0 and \$94,680	Total gross annual household income between \$0 and \$118,350
8 people	Total gross annual household income between \$0 and \$105,440	Total gross annual household income between \$0 and \$131,800

***Total gross annual household income from all sources is calculated before deductions for taxes or any other allowances are taken. Sources of income include, but are not limited to: employment, severance, unemployment, child support, social security, SSI, disability, retirement, AFDC, worker's compensation and Food Stamps.**
